

PRINTNZ UPDATE SEMINARS

We are pleased to bring you our 2026 update seminars and provide the opportunity for members to network.

Over the last 3 years there has been a landslide of legislative activity, with more to come before the legislation calendar closes prior to the election. This seminar is a chance to be updated on the changes that are relevant to your business and what you need to do to comply.

Some changes are in effect now, some are waiting in the wings. This is your opportunity to understand how they will affect your business. This seminar will cover:

- Holidays Act Review
- KiwiSaver
- Negotiated Exits
- Personal Grievance Threshold
- Remuneration Disclosure
- Withholding Pay/Holiday Pay
- Case Law Update
- Health & Safety Reforms
- Review of Vocational Education

We will also provide an update on PrintNZ's plans for the year including a preview of the survey results and an update on our Marketing Campaign.

Check the schedule and complete the registration form to book your place.
